

The Scouts in A Troop at 1st Midsomer Norton Scout Group have embarked upon a busy Spring Term; creating a huge A-frame in their Hall using pioneering poles and a variety of knots and lashings! This week sees the Scouts honing their culinary skills by cooking breakfast for supper!

A Troop will be using this Term to go back to basics, learning all the essential Scouting skills that will be invaluable when attending a 10km Night Hike, their own Troop Camp in the Summer Term, together with the Avon Scout Jamboree (*that will see all of the Scout Groups in the District of Avon come together at Woodhouse Park near Bristol for a weekend of fun, laughter and enjoyment*) and, of course, the annual Group Summer Camp for all three Scout Troops.

For more information on joining A Troop at 1st Midsomer Norton, please contact Scout Leader Clare Spearman on (07967) 666982, or for information on any of the Sections in 1st Midsomer Norton Scout Group, Group Scout Leader Ralph Jefferis on (07891) 234112 or visit the Group website at www.nortonscouts.net.
