## Summer Term (5) 2012

We hope you all enjoyed Beavers over the spring term. Next term we are going to have lots of more fun and continue earning some badges - our provisional programme is shown below. There will also be some District events but we are awaiting confirmation of dates for these.

Due to our various commitments prior to Beavers we will now be starting at 5.30pm whilst still finishing at 6.30pm. This change will allow us to be at the hall and ready for a prompt start to the meeting.

Planning has started for the final term of the academic year (term 6) and we would welcome any ideas or suggestions you may have. Please try and keep 24<sup>th</sup> June free as we intend to run a Sleepover in the hall.

We'd be grateful if you kept us updated of any changes in circumstances (address, email addresses etc.) and feel free to speak to us at any time if you have any questions/feedback or if any parents/carers wish to get involved.

Yours in Scouting,

*Belinda, Graham, Tristan, Charlie, Jon and Clare*
