

## **1<sup>st</sup> Midsomer Norton Scout Group Personal Property/Equipment Policy**

The Group will accept no liability in any case, howsoever caused for any Personal Property or Equipment which may be used in support of Scouting Activities either at the Group HQ, or whilst engaged in activities away from the HQ.

The Group however has arranged Personal Effects Cover through Unity Insurance. This is defined for the purposes of the policy as:

"Clothing, baggage, sports equipment and other similar items normally carried about the person and all of which belong to members of the Group whilst in their possession during authorised Scouting Activities within the United Kingdom including Organised Transit to and from these activities".

There are limits to the amount that can be claimed, and there is a £20 excess on each claim. Loss of money is not covered, there are also other exclusions to the policy, and these can be seen in the Policy Document which is held in the GSL's Office.
